Cook'n

Description:-

Based on the #1 best-selling Desktop App with millions of copies sold, Cook'n lets you SEARCH & CAPTURE internet recipes with one tap. Discover new recipes with the LIVE RECIPE FEED! SYNC to the COOK'N CLOUD and access your recipes from other mobile devices and desktop computers. Enter your own recipes with ease using AUTO-COMPLETE and attach your own food photos. SHARE recipes via E-mail & Text.

Access SHOPPING LISTS from the Cook'n Cloud and save time & money at the grocery store. ORGANIZE YOUR RECIPES into custom cookbooks, chapters, and categories! Use Cook'n to organize, search, and share your favorite recipes.
